

Kindergarten Experience Day - 2022

August 24, 2022

Dear Parents,

We are excited for your child to join us for an optional Kindergarten Experience!

This is an opportunity for your child to have a small kindergarten experience and meet new friends. Your child will meet the kindergarten teachers and participate in many engaging activities ranging from art to creative play. A kindergarten teacher will do a short assessment with each child. This helps our kindergarten team learn more about the skills and strengths of each child. Below is a list of information and action items that will help make our Kindergarten Experience a success. We are looking forward to working with your family this coming year!

- Students will attend for a 50-minute time slot.
- Students will be dropped off at the main office and escorted to the kindergarten classroom by the teachers. This is a great way for your student to practice independence.
- Please promptly pick up your student at the designated end time.
